

SMART MORTISE LOCK

YMF30+

Key Features

PIN Code

RFID Card

Smart Connectivity: Bluetooth, Z-Wave, Zigbee

Mechanical Key Override

Additional Features

Voice Guide Feature

The voice guided operating manual for easier and more convenient use.

Automatic Locking

The Yale DDL series automatically locks the door after checking it is properly closed.

Anti-Panic Egress

For convenience and emergency, the door is automatically unlocked whenever the inner lever handle is used. And also safe handle will protect you from any break-in attempts.

Alarm (Break / Damage)

80db alarm goes off if anyone attempts to damage the lock or force door open.

Fake PIN Code

To prevent the PIN Code from being exposed, It allows you to enter Fake numbers before or after entering your PIN Code.

Low Battery and Emergency Power

Low battery warning with alarm and LED. When the batteries are completely discharged, you can easily supply emergency power to the lock with the standard 9V battery.

Remote Control (Optional)

Remote Control type is also available. Wireless Floating ID technology is adopted and works up to 50m.
